Sum Bibl	Bibliogr.
Note	Streszcz. ang., ros.
Subject	Komputery -- teoria
National bibliography	PB 1978/4997

This text is available from the author.

It has only historical value now as one of the first publications related to what has later on was renamed as “rough set theory”. I would say that it may be in the first one hundred publications.

It is kept by the Polish National Library:

<http://alpha.bn.org.pl/search~S5?/aKoczkodaj%2C+Waldemar+Wies{u0142}aw./akoczkodaj+waldemar+wiesl~aaw/1%2C1%2C4%2CB/frameset&FF=akoczkodaj+waldemar+wiesl~aaw&3%2C%2C4>

At that time, my English was at the level which may be expressed as: a dancing drunken rabbit in a cabbage field ☺
